

Extend Your 2027 Eclipse Journey

Discover the Magic of Egypt

After witnessing one of the world's rarest celestial moments, why not extend your stay in Egypt? Explore its iconic landmarks and step into living history: sail the Nile between Luxor and Aswan, watch temples glow in late-afternoon light, and take in daily life along the riverbanks. Or opt for a longer itinerary that includes Cairo and the pyramids, the Grand Egyptian Museum, and more time on the river.

Experience the Nile's timeless calm and direct access to some of the most important sites in Egypt — the temples of Karnak and Luxor, the Valley of the Kings, Philae, Kom Ombo, Edfu, and more.

Typical Nile cruises range from shorter 3–7 day sailings between Luxor and Aswan, to longer programs of around 10–15 days beginning and ending in Cairo.

With travelers from around the world converging in Egypt for the eclipse, Nile cruise cabins and select hotel space for early August 2027 are already very limited, and availability is shifting quickly. Reserving now is essential to secure your place.
